Reminder

MVBA November Election information:

This year, the nominating committee has determined that since Barbara Jean Gilbert and Petula Nash wish to continue to serve another term on the MVBA Board of Directors, and that no other individuals have expressed an interest in sitting on the board, the nominating committee presents the slate of the two candidates listed above for re-election.

Please note that at the October general meeting, there will be a call for nominations from the floor for those who may be interested in running for one or both seats available this year. Nominees must be members in good standing and must be nominated with a second by a member in good standing .
